

PACKERS FIELD PUBLIC MEETING

MONDAY 17th JULY, 7pm

**THE CITY ACADEMY,
RUSSELL TOWN AVENUE**

The campaign to keep Packers Field a free, open space for public use is still in progress. A public meeting has been arranged for July 17th at the City Academy, where the future of the field will be discussed.

A lot of questions about the future of the field remain unanswered, specifically around public access and the final plans for the site. This meeting is an opportunity for members of the local community to inform and involve themselves.

Any person who is interested in the future of Packers Field is strongly encouraged to attend this meeting- all are welcome. It is not too late to express your thoughts and concerns about this important local space.
